

Lisbon Cemetery Association

January 30, 2023

Meeting came to order at 5:30pm

Present: Todd Fisher, Lisa Heathe & Donna Knighton

Absent: Stacey Cramer

October 25, 2022 minutes were corrected & approved.

Trees have not been cut down as Myles Barns was having equipment problems, and will advise when they proceed. He advised tonight that it will have to wait until spring.

During the last wind storm a few trees had come down & punctured the roof of the shack. The patch has been temporarily applied and will be fixed in the spring. Fortunately, none of the stones have been damaged. Todd spoke with Scott Champaign regarding repairs.

Lisa Heathe & Linda Aldrich & Donna Knighton did do some logging of stones on November 6, 2022

Todd will contact Krystal Dow regarding checking accounts.

Donna Knighton emailed CemSites regarding 2023 Invoice.

Andrea Fitzgerald was unable to attend this month's meeting. (Hi Todd: I have a cold, and I don't want to share it with anyone else. So, I will be absent from the meeting tonight. My input is to inform the trustees about what the historical society is doing in regards to Salmon Hole Cemetery. We started in 2021 to document and map each person's grave (starting in the oldest part by the riverbank) and include additional historical and genealogical information about each person. That's our plan going forward. An image, location, and additional info. I hope I will be able to come to the next trustees' meeting. Thanks, Andrea).

Treasurer's report.

Operating Account balance \$4754.98

Salmon Hole balance \$2113.84

The Treasurer's report was approved unanimously.

Julie & Todd Fisher have researched for some grants. Nothing yet.

Stacey Cramer dropped off stipend checks. She will take care of changing the signatures of the bank accounts tomorrow. She needs to write a letter to get it taken care of. Todd will follow up with Krystal.

Meeting adjourned at 6:30 pm

Respectfully Submitted,

Donna W. Knighton

A rental of the tomb will be arriving tomorrow from Ricker.
