

## Lisbon Cemetery Association

October 30, 2023

Meeting called to order at 5:35 pm

Present: Donna Knighton, Todd Fisher, Lisa Heathe, Stacey Cramer

Todd spoke with Scott Champagne and he will help with writing grants; needs to know if we need to set up a separate account for it or if it can go into existing account.

Todd reported John Hanks did a great job with fixing stones at Grove Hill and was under budget (\$1800). Donna will send bill to Trustees then will cut check to Town, then Town will pay John Hanks.

Stacey asked if Jeremy Dodge would be mowing the entire cemetery, Todd confirmed Jeremy would be mowing terraces only.

Investigate cutting more trees next year in front of water tower and to the right of water tower. Todd will ask Scott Champagne if Town of Lisbon will volunteer Town Crew to cut them, saves money.

Todd could not find D/2 cleaner, Donna says it is near appliances at Lowe's, he will look again.

Todd asking about removing chain link fence on the right at main entrance, need to confirm boundaries with Town.

Stacey asked if she could get yearly stipend early; Donna not in favor, says it may set a precedence for other departments. Todd will ask the Town first. It was decided via text messages on November 3, 2023 to cut checks on December 1, 2023 but not sooner.

Three cremains/Anderson were interred last week. (no specific date reported)

Donna suggested skipping November and December meetings due to holidays and resume on January 29, 2024. All in favor.

Meeting adjourned at 6:25, motion by Todd, second by Donna.

Minutes recorded by *Lisa Heathe*
