**February 26, 2024**

**Meeting came to order at 5:35 pm**

**Present:** Donna Knighton, Todd Fisher, Stacey Cramer, Lisa Heathe

Minutes from February 5, 2024 read and accepted, Donna motion/Todd second.

Donna requested five copies of minutes, one for Town.

Donna received \$235 check from Denise O'Callaghan in memory of her parents, yearly donation. Donna sent thank you card.

Also received \$350 for lot sale to Jody Labrecque, \$150 goes to Trustees for perpetual care.

Donna confirmed lot does not belong to Charlene Chase, it belongs to her mother Mary Chase, sent letter to Brenda Larson.

No other Treasurer's report, no changes.

We still have no confirmation of owner for Salmon Hole Cemetery but ok to do fundraiser to help with cleaning and repairing stones. Donna put flyer on Facebook to alert public of project to clean/repair stones for Revolutionary Soldiers, anticipated start date April 19 (date when Revolutionary War started).

Donna is researching information on Revolutionary War Veterans and comparing to information from Historical Society, compilation from 1950 by Mrs Pickwick.

Donna found two sites that are between fence at Salmon Hole and tracks that need to have brush cut down to maintain sites; not Veterans of any war but need to be fixed to honor Eugene Bently and Persis A. Dodge.

Donna purchased some rubber gloves and nylon scrub brushes and reported many volunteers already committing to assist with cleaning stones, estimate \$50 per stone. There is \$2115.07 in Salmon Hole Cemetery account but money for cleaning will be coming from donations, not this account. Will bring tables and snacks to share for this event.

Donna asked to have checkbook brought to next meeting, need to leave at Town Hall so she has access.

Meeting adjourned at 6:30, next meeting will be March 25, 2024.
