

Lisbon Conservation Commission  
Minutes- July 21, 2016  
5:00-5:35

Attending: Betsy Stead, Rosalind Page, Robert Cook, Mark Roberts

Item One: R P shared a DES environmental impact report on road construction projects in Lisbon. DCI is renewing their emissions permit. BS will check on smoke stack emission ( ppm) standards.

Item Two: Natural Resource Inventory. Inventory Maps have been laminated at Staples. Lisbon Regional High School students will be participating in the inventory. Academic project credit will be granted on completion.

Item Three: RC will submit Lighting Ordinance proposals for Planning Board review. Lighting ordinances will be included in Town Master Plan.

Item Four: Several town owned properties are being considered for protection as conservation trusts. Rebecca Brown has been consulted on this. Approval must be given by The Select Board with recommendations.

The meeting was adjourned at 5:35 P.M.

Respectfully submitted,  
Mark Roberts
