

Lisbon Conservation Committee Informational Meeting
June 16, 2016
6:00-7:30 P.M

Members present: Robert Cook, Rosalind Page, Betsy Stead, Mark Roberts
Also present: Representatives from other North Country Conservation Boards(Landaff, ^{Slyman}
~~Easton, Bath~~) and community members.

Amanda Stone of UNH Cooperative Extension spoke on the New Hampshire Wildlife Action Plan. She shared a set of color coded maps that can be used to accurately survey land types, watersheds, and wildlife. These maps can be used as a core element in our Natural Resource Inventory and Conservation Plan. Ms. Stone also promoted the use of information on the Taking Action for Wildlife Website, and offered her help in future conservation projects.

Respectfully submitted,
Mark Roberts
