

# TOWN OF LISBON, NEW HAMPSHIRE

Conservation Committee

Minutes 09/11/2014

**Present:** Rosalind C. Page, Skylar Boutin, Robert Cook

5:30 Meeting opened

Minutes of September 11 meeting approved, motion by Skylar, 2<sup>nd</sup> Robert.

There were no site plans or building permits to review.

RP showed the commission copies of maps that can be produced from the town's website that have several elements of a natural resource inventory. It was agreed this would be a good start, would still like Rufus Perkins to review and suggest additions/alternatives.

Ina Lippard has expressed an interest in joining the Commission. She will submit her letter of interest to the Selectmen.

SB is interested and able to attend the NHACC conference on November 1<sup>st</sup> in Laconia. The Commission discussed reimbursing him 50% of the application fee after the conference from our budget. Commission needs to find out from Town Staff (Suze/Jenny) how this works. RP will follow up on this.

Any other business -- Problems accessing the building, RC will follow up with office to collect key to the building and the conference room.

The next meeting was set for Thursday October 16<sup>th</sup>, at 5:30 pm
