

THE TOWN OF  
**LISBON**  
NEW HAMPSHIRE

## **Town Hall re-opening**

### **Town Clerks Office to re-open to the public**

The Town of Lisbon will be reopening the Town Building for the Town Clerk/Tax Collectors office on Monday June 29<sup>th</sup> 2020. The following conditions should be met for the safety of all taxpayers, customers and our employees. Social distancing guidelines of six (6) feet apart and customers **must** wear face mask. There will be no more than three customers allowed inside the building at a time. Only one customer inside the Town Clerk/Tax collector's office at a time. No family gatherings will be allowed. An automatic hand sanitizer station has been installed just outside the Town Clerks office. Rest Rooms will remain closed to the Public at this time.

The Town of Lisbon has done well, so far, during this pandemic. Let's keep it that way. We are still strongly suggesting that residents continue to use the on-line services provided. Renewal of NH registrations, dog licenses, paying water/sewer bills and paying property taxes can all be done on-line at <http://www.Lisbonnh.org> The Lisbon, NH Web page has been redesigned recently and should be easier to navigate. Please check it out.

**IF YOU ARE NOT FEELING WELL, we ask that you DO NOT enter the building. Please either use the on-line services or have someone else drop off the required paperwork. The outside drop box will still be available if you do not want to enter the building. If you still have questions call the office at 838-2862. PLEASE remember this office is only open for 30 hours per week. There is only one person. If they are busy leave a message and she will return your call. If you are leaving items in the outside drop box, make sure you, leave a telephone number where you can be reached. Many times, there are other questions that need to be answered.**

The Administrative Assistants office will remain closed until further work is completed.

Thank you for your continued cooperation,  
Town of Lisbon Emergency Management Director  
Scott M. Champagne
