North Country Council Commissioners Report:

There was a Zoom meeting last month - their annual budget meeting. A guest speaker from the Rocks Estate that attended said they don't plan on replacing the work barn that burned down. They want to take one end off the carriage building and have plans for a very big outdoor pavilion. It's very desirable in this covid environment that we are living in. The goal is to make it a destination point for Bethlehem.

North Country Council Transportation Committee Report:

A lot of people are putting in applications to get funding for their downtown areas. It's an interesting process.

Any Other business - None
